RE: U.S. v. Finley, 15 Cr. 288-2 (RMB)

Dear Judge Berman:

This office represents the defendant Alexander Finley in the above-captioned case, which is a violation of supervised release arising out of a new federal case filed against Mr. Finley in the White Plains branch of this Court. I write, on consent, to request an adjournment of the status conference that is currently scheduled for Tuesday, January 7, 2020. There have been three previous requests for adjournments of this conference, and all were granted.

The parties are in active negotiations for a disposition in the underlying case pending in White Plains. The next court date in that case is scheduled for January 13, 2020. We do not expect a disposition before that date. Accordingly, we respectfully request that the court adjourn the status conference for approximately 30 days in order to give the parties time continue negotiations. Please note that defense counsel is not available from February 17 through February 21, 2020.

I have communicated with AUSA Christopher Brumwell and he advises that the government consents to this request for an adjournment.

Thank you for your attention to this case.

Very truly yours,
